- \_\_\_\_ 10. Do you support the teaching of abstinence as the most empowering choice for unmarried teenagers and as the only truly effective way to prevent sexually-transmitted diseases?
- \_\_\_\_ 11. Do you support correcting fallacious or biased material in textbooks with supplemental online material or textbook inserts such as the one in the science textbooks that encourages debate about controversial theories such as macro-evolution or global warming?

- \_\_\_\_\_ 11. Which do you support?
- a. Junior high and high school English classes should study novels that enable them to confront the timeless struggle between good and evil through classical literature.
